IMPORTANT MESSAGE

Dear Valued Member:

The time to consider your health plan choices is quickly approaching. As costs have continued to escalate and health care is top of mind, we at the Cuba Chamber of Commerce are honored to take this opportunity to explain the choices. To keep you informed of the options for March 2010 we have scheduled a meeting on January 13, 2010 from 1:00- 3:00pm at the Cuba Chamber located inside the Cuba Cheese Museum, 22 Water Street Cuba, NY.

We are excited to tell you that as a result of our partnership with Bene-Care, we can offer you even more choices than ever before! We have health insurance options that can range as low as under \$200 per month for Single and under \$500 per month for Family coverage. For employer groups of 2 or more employees we can tailor a plan to meet your needs. Additionally, we can offer large employer groups health insurance options, even if you are not now presently enrolled through one of the chamber plans. Different tier levels for Single, Family and Two-person may also be available as a benefit to you.

You do not have to take additional time away from your busy work schedules to call the health carriers to check on options. The Cuba Chamber of Commerce has taken the responsibility to help you find alternatives, as we can now offer many additional plans that were otherwise not available.

We encourage you to attend this very important meeting to hear all about the products, plans, and opportunities for March 2010! If you are unable to attend or have additional questions, a follow up meeting will be held on January 27th from 2:00- 4:00pm for your convenience.

Please call **585-968-5654** to confirm your attendance on January 13th. We look forward to seeing you there!

Very truly yours,

Health Insurance Administrator
