

Greetings Garlic Lovers!

The Cuba NY Chamber of Commerce and Empire City Farms are preparing for the 18th Annual Cuba Garlic Festival to celebrate local farming and of course, GARLIC! This year's event will take place Saturday, September 16th, 10 am - 6 pm, and Sunday, September 17th, 9 am - 4 pm. Please note the new times for this year's event.

Please read the enclosed applications completely and thoroughly. We have made some changes to ensure a safe & enjoyable experience for everyone in attendance. Due to increasing costs of maintenance, electricity, and the upkeep of the festival grounds the committee has decided, for the first time in over ten years, to increase the cost of the vendor registration fee. This decision was not made lightly, and out of necessity. We appreciate your understanding.

The deadline date for discounted registration will be April 22nd. Be sure to have your application postmarked by this date to qualify for the reduced vendor fee. The final acceptance date for ALL vendor applications is July 31st. We will do our best to accommodate booth location requests, but locations fill up quickly therefore, the sooner you submit your application the better. Please do not hesitate to contact us at any time if you have any questions.

Each year thousands of people travel to Cuba to attend our Garlic Festival. Last year brought a record number of people to the festival. We had over 10,000 people on the grounds over the two day event. We thank you for your interest and we invite you to join us in celebrating this year's harvest, our great community, and share in our love for garlic!
